Side View

C. To remove the organizer, lift cover off and firmly grip the center wall. Lifting from the front of the vehicle, angle the organizer toward yourself and lift out of vehicle well.

**2 After Installation/
Troubleshooting**

- A. To maintain the appearance and finish of your organizer, clean as required with a cloth and a mild soap & water solution.
- B. Your cargo organizer is designed to transport normal cargo contents. Flammable or dangerous materials should not be transported in your vehicle at any time. If any corrosive chemicals are spilled on your organizer it should be cleaned as described in step 2A.

***Static electricity can cause an explosion of flammable liquid, vapor or gas in any vehicle or trailer.
To reduce risk of serious injury or death when filling containers.**

- Always place container on the ground before filling
- Keep the pump nozzle in contact with the container while you are filling it.
- Use only approved containers for flammable liquid.
